G6) CONNECT SENTENCES AND MEANINGS: 1a, 2h, 3f, 4d, 5e, 6c, 7b, 8g

Translation

■ Good day! I'm Doctor Zoé. Your appointment is now.

○ Good day, doctor.

■ Félix is my nurse.

○ Are you a real doctor?

■ Mum is a real doctor. And I'm the best one.

■ So, where does it hurt?

○ My throat. But it's already better.

She checks her toy thermometer.

She looks into your mouth very seriously with a toy torch.

■ Open your mouth. Say 'ah'.

○ Aaah...

■ Hmm. No temperature.

○ Is that bad?

■ No. That's very good.

■ How many hours do you sleep now?

○ Twelve. Julien gave me earplugs.

- Twelve! Almost like Félix!

She writes on a page of her notebook, the tip of her tongue between her teeth, and reads it out.

- Here's your prescription.

- 'One: pancakes, three times a day. Two: cat on feet.'

- 'Three: on Saturday, the festival. You must come!'

- But Thomas says: no cats in the bed!

- It's a prescription. A prescription is more important than Thomas's list.

Madeleine comes in with a big plate of pancakes.

- ▲ Here are the pancakes. As prescribed.

- Thank you, Mrs Martin! Thank you, doctor!

- ▲ Doctor Zoé, is the patient allowed to eat?

- Yes. But only three pancakes.

- The appointment is over. Goodbye!

Her prescription: "Pancakes, three times a day. Cat on feet. Festival: Saturday. YOU MUST COME." Madeleine brings the pancakes. Next morning you feel better. The toy thermometer is gone.
