Translation

- Hello! Please help me with my homework.
- Of course. What is it about?
- It is about my neighbour. It is about you!
- First question. How old are you?
- I am thirty.
- Thirty! That is quite old.
- Perhaps to you. You are still young.
- How old is Findus?
- I do not know. Nobody knows.
- Second question. Do you have brothers or sisters?
- I have a younger brother and an older sister.
- Do they live in Hamburg too?
- Yes. Both live there.
- My younger brother is still a baby. He does not sleep at night.
Neither does Mads.
- Third question. When is your birthday?

○ It is on the tenth of July.

■ Mine is the twenty-eighth of March. This Saturday!

She turns the page, and goes on reading.

■ Listen. My neighbour is thirty and has a brother and sister.

■ Now page two. Findus lives here and there. He has ten keys.

○ Wait! Just one line about me? And two pages about the cat?

■ Findus is very interesting.

○ And I am not?

■ You are on page three. Findus is there too.

She gives you a card with a yellow cat drawn on it.

■ This is for you.

○ An invitation! The twenty-eighth of March. Does Findus come too?

○ Thank you. Does Findus know too?

■ Findus knows everything.

*Freja packs her homework into her schoolbag, very pleased.
Her card stands on your table, and Findus is already sitting
next to it.*
