■ Good morning!

○ Morning? It is half past five in the evening!

■ For me that is morning. I am just getting up.

■ Ms Choi knows you are ill. How are you now?

○ A little better than this morning.

○ But I need something for my throat. The pharmacy closes at six.

■ Come on. It takes ten minutes on foot.

17:58. The pharmacist is already holding his keys.

▲ Good evening. We close at six. What do you need?

○ Good evening. My throat hurts. I need something for it.

▲ Here are tablets. I will explain how to take them.

○ How do I take them?

▲ Let them dissolve slowly in your mouth. Follow the package leaflet for the exact amount.

○ Please show me. How much is it?

▲ Of course. Here. A pack costs nine thousand nine hundred won.

Jihun quickly puts something small on the counter.

▲ Anything else?

■ Yes. This here, please.

▲ Here you are. Now we are closing.

■ Here is a gift for you. Use it at night.

○ Earplugs? What are they?

■ For your ears. Because I especially like playing the trumpet at night.

○ Thank you, Jihun. Now I can finally sleep.

■ And I can play. Good night!

At the till he buys something too, and gives it to you outside: earplugs. "For the night. Sorry about the trumpet." That night you hear nothing and sleep twelve hours.
