Discoveries and explaining where things went

가져왔어요 means brought here; **가져갔어요** means took away. Reuse these verbs for the collected objects. The object particle **을/를** stays with the thing moved.

도 can follow a place particle: **여기에도**, here too. **모두** and **다** mean all; context tells you whether they refer to people or things. There is no requirement to pluralise every noun.

나비 것도 있어요 means Nabi's things are here too. The owner can directly precede **것**, just as a name can precede a home noun. Give the explanation with short past and present sentences plus **그래서**.

나비가 열쇠를 가져왔어요.

Nabi brought the key here.

나비가 열쇠를 가져갔어요.

Nabi took the key away.

여기에도 있어요.

It is here too.

모두 여기에 있어요.

Everything is here.

나비 것도 있어요.

Nabi's things are here too.

없었어요. 그래서 찾았어요.

It was missing. So I looked for it.
