Weather and obligation

Say **hujan**, **panas**, **dingin**, **berangin** or **berawan** for the weather. A sentence like **Hari ini hujan** needs no *it is* or verb agreement.

Harus means must. **Tidak perlu** means do not need to. They precede an action: **harus bawa payung**. **Bawa** and **membawa** both mean bring/carry, learned whole.

Use **kalah** for if/when: **Kalah hujan, bawa payung**. Weather changes do not require future conjugation; **besok cerah** says it will be sunny tomorrow.
