Translation

■ Good morning, Ingrid. Where is the station?

○ The station? What are you planning?

■ Tomorrow I am going to the Great Lake with Tomas. By train.

- Yes, I know. I do not miss a thing.
- The station is far away. First left, then straight on, then right at the second street.

Klara comes out of the café with a tray.

▲ Far away? No. Right, then left at the corner. Very close!

■ For Ingrid, the station is far away...

▲ Everything is far away for Ingrid.

○ I can hear you!

Jonas comes home with his trumpet case, after a night of jazz.

● Good night. Oh no, good morning!

■ Jonas, where is the station?

● Straight on. It is by the river. Five minutes on foot.

■ Three neighbours, three different routes!

○ I mean the train station. That is far away.

▲ I mean the bus station. It is very close.

● I mean the Old Station. I play there at the weekend.

■ So, to the train station. Left first?

○ Exactly. Do not be late tomorrow!

All three are right. The town has a train station, a bus station, and the Old Station, which is now a jazz bar. Jonas plays there at weekends. You take Ingrid's way, and around the corner stands the train station, small and old, with a big clock.
