Translation

You count the numbers still ahead of yours.

■ Table eleven: coffee and cake! Twelve: tea and bread!

○ So many people! Thirteen, fourteen, fifteen ...

■ Good morning! What would you like?

○ Tea, please. Just tea. I'm not hungry.

■ All right. Just a moment.

Five minutes later she puts a full tray in front of you.

■ Here you are! Coffee, two eggs, bread and butter.

○ Not coffee. Tea, please. And water. How much does it cost?

■ Here is milk. Breakfast costs five pounds. Enjoy your meal!

Jack shuffles in on his way to bed, still in last night's jacket.

▲ Good morning. A tea, please. Just tea.

She pushes the eggs towards you.

■ Here you are, Jack. A big cup.

○ Why does Jack have just tea, but I have a whole breakfast?

■ He's tired. He plays all night.

▲ Yes. Now I'm going to sleep. Good night!

○ I'm tired too. I hear the trumpet all night!

Jack never makes it to bed: he falls asleep at the counter. In front of you: coffee, eggs, bread and butter, and milk. Everything but tea.
