Weekdays and frequency

Weekdays and frequency

Use **on** with weekdays and specific days: **on Monday, on Saturday evening**. Use **every** without another preposition: **every Monday, every day**.

Frequency adverbs normally come before an ordinary main verb: **I always arrive early, I sometimes eat cake**. They usually follow **be**: **I'm always on time**.

Never already gives a negative meaning. Say **I never arrive late**, rather than adding **don't**. At this level choose a clear routine and one frequency word.

Form	Example	Meaning
on	The meeting is on Thursday.	Give the weekday of the meeting.
every	I come here every day.	State that you come daily.
always	I always arrive early.	Say the early arrival happens every time.
always	I'm always on time.	Put the frequency word after be.
never	I never arrive late.	State that you are not late at any time.
