Requests and putting things in a place

Use **주세요** for giving an item: **펜 주세요**. For asking someone to do an action politely, **으세요** follows many consonant stems and **세요** follows vowel stems: **읽으세요, 오세요**. These are courteous requests or instructions, not person endings.

가져오세요 asks someone to bring something here. **가져가세요** asks them to take it away. **여기에 놓으세요** means put it here. These practical forms are revisited in medical instructions.

A recipient uses **한테: 저한테 주세요**. A destination or position uses **에**. The same noun can need a different particle because its role changes.

펜 주세요.

A pen, please.

여기로 오세요.

Please come here.

종이를 가져오세요.

Please bring paper.

여기에 놓으세요.

Please put it here.

저한테 주세요.

Please give it to me.

이거 읽으세요.

Please read this.
