## Amounts and shopping

The amount word agrees with its noun: **mult lapte, multă pâine, mulți pești, multe mere**. The little forms are **puțin, puțină, puțini, puține**. Use **foarte** to mean very with an adjective, rather than an agreeing amount word.

Units use **de**: **un kilogram de mere, o sticlă de lapte**. Keep the noun after the unit in its natural mass or plural form.

For shopping, recycle **aș vrea, câte?, cât costă?**. **Știu** means I know a fact; **cunosc** means I know a person: **Îl cunosc pe Karim**. Learn the person-object pattern as a whole here.
