G6) RESPOND TO THE SITUATION: 1c, 2b

Translation

■ Good morning! Come in for a moment. There is another page on the form.

○ Another one? But you know everything already, Mrs Brandt.

■ Not everything. Your phone number is still missing.

Closer on the sideboard: a lamp with a red shade and a red base.

○ The red lamp! There is one like that in my bathroom too.

■ Which lamp? Sit down first.

■ How many keys do you have?

○ Zero. Mikesch has mine again.

■ And where is it now?

○ No idea. It is not in the wardrobe. That is empty now.

■ Mikesch has ten keys and you have none. All right. Now your phone number.

○ Zero, one, five, one.

Hilde sits at the table with her glasses on and writes on the form.

■ Zero, one, five, five.

○ Not five. One. Zero, one, five, one.

■ Good. And the rest?

○ Two, three, four, five, six, seven, eight, nine.

■ Eight, six?

○ The last digit is nine.

■ Zero, one, five, one, two, three, four, five, six, seven, eight, nine.
Correct?

○ Yes. Exactly.

The phone rings.

▲ Good morning! It is Greta. Your coffee is already on the table.
Are you coming?

○ Yes, I am coming! But how does she know my number?

*Hilde looks innocently out of the window towards the café,
humming. Who gave Greta your number? Certainly not her.*
