Translation

- Eleven: coffee and cake! Twelve: tea and bread!

You count the numbers still ahead of yours.

- Thirteen, fourteen, fifteen... So many people!

- Good morning! What would you like?

- I would like a tea, please.

- Tea. Right!

- Just tea! I don't want breakfast. I'm not hungry!

Five minutes later she puts a full tray in front of you.

- Here you are: coffee, two eggs, bread and butter.

- But I don't want coffee. I want tea.

- You need breakfast! Here are two eggs.

- Oh, all right. And some water, please.

- Here's some milk. Milk is good. Enjoy!

Andrei shuffles in on his way to bed, still in last night's jacket.

- ▲ Morning... Ioana, tea, please. Just tea.

- Here you are, Andrei. A big cup of tea.

○ Why does he get tea, and I get eggs?

■ He isn't hungry. He's tired. He plays all night.

▲ Yes. Now I'm going to bed. Good night!

○ I'm tired too! The trumpet plays all night!

She pushes the eggs towards you.

■ No, you're hungry. I know.

Andrei never makes it to bed: he falls asleep at the counter. In front of you: coffee, eggs, bread and butter, and milk. Everything but tea.
