Translation

■ Good afternoon. Doctor Nika. It is your turn now.

○ Good afternoon, Doctor.

■ Muri is my nurse.

○ Are you a doctor already?

■ Not yet. I am practising. Mum is a doctor. Where does it hurt?

○ My throat. But it is better already.

She looks into your mouth very seriously with a toy torch.

She checks her toy thermometer.

■ Open your mouth. Say ah.

○ Aaah.

■ Good. No fever. How much do you sleep?

○ Twelve hours. With earplugs. From Jure.

■ Almost as much as Muri!

She writes on a page of her notebook, the tip of her tongue between her teeth, and reads it out.

■ My prescription. First: pancakes. Second: Muri on your legs. Come to the festival on Saturday.

○ Tomaž says: no cats in bed!

■ My prescription is more important than his list.

Ana comes in with a big plate of pancakes.

▲ Here are the pancakes. As prescribed.

○ Thank you, Ms Ana. And thank you, Doctor.

▲ May the patient eat now, Doctor?

■ Yes. Three pancakes. No more. That is all. Goodbye!

Her prescription: "Pancakes, three times a day. Cat on feet.

Festival: Saturday. YOU MUST COME." Ana brings the pancakes.

Next morning you feel better. The toy thermometer is gone.
