Possession and location chunks

A possessive expression shows ownership: **minu võti, sinu võti, tema võti, meie võti, teie võti, nende võti**. These forms do not change for the owner's gender. Short **mu** and **su** are common for **minu** and **sinu**.

Kus? asks where. Useful location chunks are **all, üleval, siin, seal**. A case is a noun form showing its role. **Võti** is nominative, **võtme** is genitive, and **võtit** is partitive. The genitive also stands before a following noun: **Leena võti, kohviku kohal**. Full noun patterns start in module 2.
