Choosing and contrasting objects

Which agrees with the noun: **kateri plašč, katera jakna, katero oblačilo**. Demonstratives also agree: **ta plašč, ta jakna, to oblačilo**; more distant **tisti, tista, tisto**.

An object requires accusative forms: **želim to jakno, želim ta plašč**.

Use **ampak** for a contrast: **ta je topel, ampak tisti je suh**. The noun can be omitted when the object is clear; keep the gender and case.
