Decisions and putting it together

Stay uses **maradok, maradsz, marad, maradunk, maradtok, maradnak**. **Maradok** can announce a decision; add a time phrase for a clear plan. **Nem megyek el** shows the prefix after a negative verb.

Combine simple reasons and conditions: **maradok, mert itt jó, ha megy a vonat, elmegyünk a tóhoz**. Review definite/indefinite objects, possessed nouns, place suffixes, commands and past forms in the same familiar world.
