LEARNING GOAL

I can name family members and say how old people are.

I can say how old I am, how many brothers and sisters I have, and when my birthday is.

I can say how I am on the phone, describe my flat and my town, and describe what people look like.

I can choose a present, ask about prices and colours, and say what someone already has.

I can wish someone happy birthday, give a present, and say if I'm married, if I have children and where my parents live.
