G6) CONNECT MESSAGES AND MEANINGS: 1d, 2e, 3c, 4b, 5a, 6f

Translation

■ Here's the market. It's open every Saturday, from seven until one.

■ I'm buying ten kilos of apples for the café.

○ Ten kilos? That's a lot!

■ It's for the cakes. And what are you buying?

○ I have a list. For dinner.

▲ Good morning! What would you like?

○ I'd like a kilo of tomatoes and two kilos of potatoes, please.

▲ Here you are. Anything else?

○ Yes, half a kilo of cheese and a bottle of milk.

▲ Is that all? Then it is fifty lei.

● Good morning! You're from number 7?

○ Yes. How do you know?

● There are Motan's hairs on your jacket. And Motan comes here every Saturday.

○ Motan isn't my cat.

He unrolls a very long bill.

● But he lives at number 7, right? So here's his bill for the whole month.

○ So much fish! How much is it?

● A hundred and forty lei.

Ioana laughs and takes out her purse.

■ Never mind. I'll pay. Every month.

○ Every month? Why you?

■ Because Motan sits in my café window every morning. And people come in to look at him.

The fish seller stops you. "Number 7? Here is Motan's bill for the whole month." A very long bill, 140 lei. Ioana laughs and pays. "Every month." Motan sits in her window every morning, and people come in to look at him.
