Translation

Freja opens your fridge.

- The fridge is empty again!
- I know. I do not have time to shop now.
- Then let us go together. I have a list.
- I have a list too: six eggs, bread and apples. And you, Freja?
- Fish and milk. And even more fish.
- Why so much fish?
- It is for Findus. Findus likes fish.

Freja puts apples into the bag, counting.

Freja and you go down to the corner shop together to buy what is on your lists.

- Hello! This is Lena, my new neighbour.
- ▲ Nice to meet you. What would you like?
- Six eggs, bread and apples, please.
- ▲ Eggs and bread. Here you are. How many apples?
- Six.

■ Sixteen? Seventeen? Eighteen is good too!

○ No, Freja. Six. Not eighteen.

■ Nineteen, then?

○ All right. Nineteen, please.

■ Fish too, please. Lots of fish. Milk too.

▲ Is it all for the cat?

■ Yes. Do you know Findus?

▲ Of course. Everyone here knows him. Findus is the boss.

Freja puts two coins on the counter.

▲ It is two hundred and twenty kroner.

○ One hundred, two hundred... Sorry. I only have two hundred kroner.

■ Here are another twenty kroner.

○ Thank you, Freja.

■ You are welcome. A pancake later too, all right?

Freja carries the fish in both arms, very pleased with herself. In your bag: six eggs, bread and nineteen apples.
