Translation

■ I'm sitting here, waiting. Who comes here at night? And why?

Midnight. Somebody opens the door.

■ Who's there?

The light goes on. Leena and Liis stand in the doorway with a green armchair, and Muri slips in behind them.

○ Shh! It's us!

▲ Good evening! We're just helping.

■ Helping? At night? Why?

▲ An empty flat is no good. You need an armchair.

○ The armchair is from Grandma's cellar. It's old, but very good.

■ Thank you very much. But you can come in the daytime too!

▲ In the daytime? In the daytime I don't have time.

Muri jumps into the armchair and curls up.

○ Look! Muri is already in the armchair.

■ And the yellow sofa? In the bathroom?

Leena and Liis look at each other.

▲ What sofa?

○ We don't know anything.

▲ Maybe it was Muri... Good night!

The door closes. A green armchair stands in the middle of your flat, and Muri is asleep in it as if it had always been his. Your empty suitcase is gone: Leena has taken it up to the attic.
