Translation

- Hi! Can you help me? It's my homework.
- Of course. What homework?
- "My neighbour". And you're my neighbour!
- First question. How old are you?
- Thirty.
- Thirty! You're old already!
- I'm not old! I'm young!
- OK, OK. And how old is Félix?
- I don't know. Nobody knows.
- Second question. Do you have brothers and sisters?
- I have a younger brother and an older sister.
- Do they live in Germany too?
- Yes, in Hamburg.
- I have a brother too. A baby. He doesn't sleep at night, like Julien!
- Third question. When is your birthday?

○ On the tenth of July.

■ The tenth of July... And mine is the twenty-eighth of March! It's this Saturday!

■ Listen! 'My neighbour. Thirty years old. Has one brother and one sister.'

She turns the page, and goes on reading.

■ 'Félix is a big cat. He lives here, there and there. He has ten keys.'

○ Wait... Only that about me? And two pages about Félix?

■ Félix is very interesting!

○ And I'm not interesting?

■ You're on page three. With Félix.

She gives you a card with a yellow cat drawn on it.

■ And this is for you!

○ "The twenty-eighth of March is my birthday! Come with Félix!"

○ Thank you, Zoé! And does Félix know?

■ Félix knows everything.

Zoé packs her homework into her schoolbag, very pleased. Her card stands on your table, and Félix is already sitting next to it.
