Translation

Monday after work, in Mieke's living room.

- Hi! Grandma told me everything: Sunday, the lake, Max!
- Of course. I know everything.

She unfolds a big hand-drawn map of the town.

- Here's a map. For you! I drew it.
- Look: this is number 7, and downstairs is Sanne's café.
- ▲ And what's this, by the park?
- That's my school. It's opposite the park.
- ▲ And where's the post office? I need the post office.
- The post office is between the bank and the pharmacy. And the supermarket is on the corner, by the station.

Mieke tests you.

- Well, how do you get from number 7 to the post office?
- ▲ From number 7 to the right, then the second street on the left.
And the post office is between the bank and the pharmacy.
- Very good! Well done!
- And here are Max's places: the market, the café window, the bench in the park and the lake.

▲ And what's that red X on the roof? And the little key?

■ That's Max's secret.

▲ What secret?

She and Mieke exchange a look.

■ A secret is a secret.

○ Well, who wants some tea?

The cat's places are marked: the fish stall, the café window, the park bench, the lake. And a red X on the roof of number 7, with a little key. "That's the cat's secret."
