G6) CONNECT MESSAGES AND MEANINGS: 1a, 2h, 3f, 4d, 5e, 6c,
7b, 8g

Translation

■ Hello. Doctor Mali speaking. Next patient, please.

○ Hello, Doctor.

■ This is Suea, my nurse.

○ Are you a doctor already?

■ Not yet. I'm still practising. Mum is a doctor.

■ Where does it hurt?

○ My throat hurts, but it's better already.

She checks her toy thermometer.

She looks into your mouth very seriously with a toy torch.

■ Open your mouth. Say ah.

○ Aaah.

■ Good. No fever.

○ That's good, right?

■ Very good.

■ How many hours do you sleep now?

○ Twelve hours. I use Non's earplugs.

■ Twelve? Almost as much as Suea.

She writes on a page of her notebook, the tip of her tongue
between her teeth, and reads it out.

■ Here's my prescription.

■ First: pancakes. Second: let Suea stay on your lap.

■ And on Saturday, you have to come to the festival, okay?

○ But Kong says not to let the cat get on the bed.

■ My prescription is more important than that list.

Grandma Somporn comes in with a big plate of pancakes.

▲ Here are pancakes, exactly as prescribed.

○ Thank you, Dr Wan. And thank you, Doctor Mali.

▲ Doctor, can the patient eat now?

■ Yes. Three pieces are enough. No more than that.

■ That's all. Goodbye.

Her prescription: "Pancakes, three times a day. Cat on feet.

Festival: Saturday. YOU MUST COME." สมพร brings the pancakes. Next morning you feel better. The toy thermometer is gone.
