Introducing yourself and other people

Use the subject pronouns **I, you, he, she, it, we** and **they**. English normally keeps the subject: **I'm Anne**, not just the verb. **I** is always a capital letter.

The present tense of **be** is **I am, you are, he/she/it is, we/you/they are**. Spoken contractions are natural: **I'm, you're, he's, she's, it's, we're, they're**. **You** addresses one person or several; add **please** and an appropriate greeting for a courteous tone.

For a yes/no question, put **be** before the subject: **Are you the new neighbour?** Reply **Yes, I am** or **No, I'm not**. Positive short answers do not end in a contraction: **Yes, I am**, not **Yes, I'm**.
