

SCENE 49 • NUMBER 7

Vinden

Your suitcase is in the attic, where Ingrid put it. You take the old key from the raincoat ("Keep it," she said; now you know why) and climb the ladder from the top landing, past Jonas's door; Elsa follows. This is the X on her map, and there is a small round window, just big enough for a cat. Under the roof: buttons, a spare key, the computer mouse from the office, Tomas's pen, the candle "10", the toy thermometer, the mouthpiece. Whose is what, and when did it go? "Your flat was empty for a long time," says Elsa. "It was his flat. And his things."

Translation

■ My suitcase is in the attic. The key is still in the raincoat.

Elsa is suddenly on the stairs, as if from nowhere.

○ Are you going upstairs? I am coming too!

■ Elsa? What are you doing here?

○ I am always here.

○ Here it is! The red cross on my map.

■ There is a little window, just right for Måns.

○ Look! Your key, from the first day.

■ It disappeared on the first evening!

○ Tomas's pen, and the computer mouse from the office.

■ The number ten from your birthday cake!

○ And my thermometer. I could not find it after your doctor's appointment.

■ Jonas's mouthpiece. He could not find it after the festival.

■ Why does he collect all this here?

○ Your flat was empty for a long time. Måns lived there with his things.

■ Now I live there.

○ Yes. That is why his things are upstairs now.

In the middle of the attic lies your suitcase, open. Måns is asleep inside.

■ Måns! That is my suitcase.

○ Look at what is on top.

■ My photo from the festival. Måns is sleeping on it.

○ This is his favourite thing. He seems to like you too!

In the middle lies your suitcase, open, with Måns asleep inside. On top is the photo of you from the festival. "He only takes things he loves," says Elsa, and she takes the mouthpiece downstairs to Jonas. You sit by the suitcase for a long time. Then you call the interviewer.
