G8) WHERE IS IT?: 1h, 2a, 3c, 4g, 5b, 6f, 7e, 8d

Translation

Monday after work, in Ona's living room.

■ Hi! Grandma told me everything: Sunday, the lake, Micius!

○ Of course. I know everything.

She unfolds a big hand-drawn map of the town.

■ Here's a map. For you! I drew it.

■ Look: this is number 7, and downstairs is Rūta's café.

▲ And what's this, by the park?

■ That's my school. It's opposite the park.

▲ And where's the post office? I need the post office.

■ The post office is between the bank and the pharmacy. And the supermarket is on the corner, by the station.

Ona tests you.

○ Well, how do you get from number 7 to the post office?

▲ From number 7 to the right, then the second street on the left.
And the post office is between the bank and the pharmacy.

○ Very good! Well done!

■ And here are Micius's places: the market, the café window, the bench in the park and the lake.

▲ And what's that red X on the roof? And the little key?

■ That's Micius's secret.

▲ What secret?

She and Ona exchange a look.

■ A secret is a secret.

○ Well, who wants some tea?

The cat's places are marked: the fish stall, the café window, the park bench, the lake. And a red X on the roof of number 7, with a little key. "That's the cat's secret."
