A gift, comparisons and recent past states

रख लीजिए means keep it: polite **लीजिए** adds the sense of doing/accepting for yourself after the stem **रख**. For now practise common combinations **देख लीजिए**, **ले लीजिए** as complete requests.

In a comparison with a person use **मुझसे, आपसे, उससे: रेनकोट आपसे पुराना है**. These forms are also used for from me/from you, when context supplies that meaning.

Past weather and states reuse **था/थी: सुबह धूप थी, रेनकोट गीला था. भीग गया / भीग गई** is a result phrase heard in the story; completed actions and result helpers receive practice in module 9.
