Prepositions for places

Use **pri** plus locative for being near or at someone's place: **pri banki, pri Ani**. Use **pred, za, pod, nad** and **med** with instrumental for a fixed position: **pred hišo, za računalnikom, med banko in lekarno**.

Nasproti takes dative: **nasproti šoli, nasproti banki**. Spatial **ob** takes locative for location: **ob reki, ob postaji**. These prepositions have different case requirements; learn a phrase with each. Movement after **pred/za/pod** instead takes accusative, as in **Muri gre pod mizo**.
