○ Wait a moment. I would like to see it.

Upstairs in your kitchen, Sujin stands by the little table with a cake and a pot of coffee.

She is not angry. She puts the cake on the table and sits down.

She takes a second cup out of her apron pocket.

○ That is right! It is my table. My chairs are here too.

■ I am sorry. It was not me.

○ I know.

○ It looks good here. The table may stay here.

■ Really? And the café?

○ There are plenty of tables at the café. You need a table here.

○ There is breakfast too. Where are your cups?

■ I only have one cup.

○ Then use this cup too.

■ Who comes into my flat at night?

She looks at your door and smiles.

○ Ms Choi's key fits every door.

■ Every door?

○ Every door. Now let us eat. Enjoy your meal!

and smiles.
