Translation

■ Excuse me. Where is the station? Tomorrow we are going to the lake by train.

○ Go straight on. Then left. Right at the bank.

■ Is it far?

- A little.

Mariam comes out of the café with a tray.

- ▲ The station is near here. Next to the pharmacy.

- On foot?

- ▲ Yes. Five minutes.

Aram comes home with his trumpet case, after a night of jazz.

- Hi. Station? It is on the other side of the river.

- The river?

- Yes. I play there. On Saturdays and Sundays.

- One moment. Are there three stations?

- The train station is after the bank.

- ▲ Mine is the bus station.

- And the “Old Station” is a jazz club.

- Thank you. Today I am only looking for the train station.

All three are right. The town has a train station, a bus station, and the Old Station, which is now a jazz bar. Արամ plays there at weekends. You take Ալահիյուն's way, and around the corner stands the train station, small and old, with a big clock.
