Where people live and addressing them

Gdje? asks a fixed location; **kamo?** a destination. Use **ovdje • tamo** and **gore • dolje**. Learn location chunks **u kući, u kafiću, iznad kafića**. A preposition connects a noun to a place or relation.

Some names have an address form, the vocative: **Mira → Miro, baka → bako**. **Gospođo Miro** respectfully addresses Mira. Other case forms of names appear in possession: **od Mire**, from Mira.

Noću means at night and **danju** in the daytime. **Svaki dan** means every day. A question with **li** follows the verb: **Živi li Lana ovdje?**. Singular/plural refer to number, not the speaker's sex.
