Translation

Wednesday morning in the office. Thomas has the forecast open on his screen, and a notebook beside it.

- Good morning. Do you know the weather forecast for next week?
- No. Why next week?
- Because next Saturday is the town festival. I plan everything in advance.
- Monday rain, twelve degrees. Tuesday sun, twenty. Wednesday clouds and wind.
- And what's the weather like in Hamburg now?
- In Hamburg it's colder than here now. And there's more rain.
- More rain than here? Really?
- Really. In Hamburg it rains almost every day.
- And what's winter like here?
- Cold. January is the coldest month. Sometimes minus ten.
- Minus ten! In Hamburg winter is much warmer.

- But I like winter. In winter, cats stay at home.
- And what's your favourite season?
- Summer. In summer the days are long and you can swim.
- In summer everyone goes to the sea. But the sea is colder than the lake.
- But bigger.
- Bigger. And much further away.
- And next Saturday? What's the weather forecast for the festival?
- Sun in the morning, then rain, wind in the evening. And maybe snow.
- Snow? In May?

He points under his desk: four bags in a row.

- In May anything can happen here. That is why I have four bags.
- One for the sun, one for the rain, one for the wind and one for the snow.
- Thomas, what you need is one bigger bag.

For Saturday the forecast shows sun, rain, wind and maybe snow. He has already packed four bags, one for each, and labels them. Max is asleep in the one for the sun.
