Translation

Saturday evening. Elzė knocks on your door.

- Come down to the courtyard! Just for one minute!
- For one minute? Well, all right...

The courtyard is full of lights. Everyone is there, round a long table: your kitchen table, the café's old one. Only the yellow sofa couldn't come.

- ▲ Surprise!
- But... you were all busy!
- ▲ Yes. We were busy here.

Tomas is holding Micius in his arms. Micius purrs.

- I had a list. Item three, 'something': the party.

○ Tomas! You're holding the cat!

● A new rule. Number eight: on Saturdays the cat sits in my arms.

On the cake, in cream: „Lieka!“

▲ And here's the cake.

○ 'Staying'? But I haven't said anything yet!

▲ I know. I baked it yesterday morning.

○ All right. Now listen, everyone.

○ The capital is big, and the job is good. But yesterday I called the capital.

○ And I said: thank you, but no. I'm staying, because here everyone knows my name.

■ Lena is staying! Lena is staying!

Jonas raises his glass to you.

□ You came back too.

Daiva smiles at her daughter.

△ You see? My daughter's prescription helped.

Ona hands you a page of her form: the flat, one more year, your name spelled right, „Lieka: taip“.

■ Here. The last page.

- The flat, one more year... My surname, without mistakes! And the date is from last Monday!
- How did you know?
- But I only decided yesterday!
- I know everything.

She puts the old key from the attic on the form.

- And here is your key.

You call Anna.

- Anna? I'm staying. But in July you're coming to visit me.
- I know, Lucía told me. Shame, but I understand.
- In July? Great! I'll come! And what will we do?
- We'll take the train to the lake. If the train runs.

You tell them: the city is big and the job is good, but you are staying, because here everyone knows your name. Ona hands you the last page of the form: the flat, one more year, your name spelled right, "Staying: yes", dated last Monday. "How did you know?" "I know everything." You call Anna: "Come and visit in July. We go to the lake." Jonas plays, with his own mouthpiece again, Micius jumps onto the bench, and Ona, who asked you so many questions on the first night, now only says: "Good evening, neighbour."
