■ And he is never late.

He holds the typed sheet up, straight, ready for the kitchen wall.

- Here is the notice. It goes on the kitchen wall.

You read the notice aloud.

- Rules for Michi. One: arrive at nine. Two: eat at twelve and five.

- No climbing on the computer! No climbing on the printer!

*Michi lies fast asleep on the printer, one paw hanging down.
Herr Kühn stands beside it, arms folded, and looks at him over his glasses.*

- The fourth rule is very important.

- How many times does he eat?

- Twice a day. Exactly twice.

- And in the afternoon? What does he do?

- He normally sleeps. I hope you do not.

- I do not sleep at work!

- Write a message for everyone, please.

You type the message.

- Hello everyone. Michi is our office cat. The rules are in the kitchen.

■ Good. And here is rule seven.

○ Seven? What about five and six?

■ Later. On Fridays, Michi can sit on my chair.

○ On your chair?

Michi sits on Herr Kühn's chair. Herr Kühn strokes him carefully with one finger, a small surprised smile.

■ Yes. Today is Friday.

The rules go on: the cat comes at nine, eats at twelve, does not sit on computers. Rule 7: "On Fridays, the cat sits on my chair." He is already stroking him.
