Translation

■ Good morning! Do you want to see the festival video? Everyone is talking about it.

○ A coffee first, please. Nothing else.

Only Clara's hands: she sets a pancake and a coffee on the table, with a look that allows no argument.

■ And a pancake. After so much celebrating, you need one.

- Look! Suddenly the lights go out. Everything is dark.
- And something small gets onto the stage. I see it here.
- Something small? What is it?
- It has a tail. I am sure it is a ghost.
- A ghost with a tail?
- Yes. And Javier keeps playing. So beautifully! In the dark.
- With Elvira's trumpet. You can hear it very well.
- Elvira's? You do not say!
- Now the light returns. A slice of cake is missing.
- One slice or the whole cake?
- One slice. But enormous!
- The ghost too?
- Ghosts do not eat cake.
- How strange.
- And Michi? You are supposed to watch him.
- Yes. Well...
- Here I am, searching in the square. But I cannot find him.

- Where is he all this time?

"And the cat? He was with you. You looked after him." You open your mouth. You have no idea where the cat was.
