Booking a room and making plans

Pesan kamar means book a room; **kamar untuk satu orang** is a single room and **dua orang** a double. **Untuk satu malam** states the duration.

Termasuk sarapan? asks whether breakfast is included. **Dari ... sampai ...** states a time range. **Se-** joins common units such as **semalam** one night, but plain **satu malam** is easy and natural.

Future plans use **akan, mau** or a future time phrase. **Mau** expresses wanting/intending, not an inflected future tense. **Kalau datang Minggu** introduces a possible plan.
