Present simple questions and negatives

For an ordinary present simple question, use **do** with **I/you/we/they** and **does** with **he/she/it**: **Do you live here?**, **Does Anne live here?** The following verb stays in its base form.

Negation uses **don't** or **doesn't** plus base verb: **I don't know**, **she doesn't know**. Do not double the person ending: **Does she live?**, not **Does she lives?**.

With **be**, keep its own question and negative patterns: **Is she here?**, **She isn't here**. Do not add **do** to these **be** patterns.
