Making an appointment and stating a birth date

Ask **Trebam termin kod liječnice**. **Kod** takes genitive for a person's place or office. **Ranije** means earlier, **kasnije** later; compare available dates and times.

The full birth date is **desetog srpnja tisuću devedeset pete godine**. A year with a date uses a feminine ordinal form with **godine**. Learn this exact practical year before expecting flexible year production.

Born can use **rođen sam • rođena sam** or reflexive perfect **rodio sam se • rodila sam se**. Keep the surname Becker unchanged while spelling. Street **Lipova ulica** and telephone digits must match every form.
