G6) CONNECT MESSAGES AND MEANINGS: 1a, 2c, 3b, 4f, 5d, 6e

Translation

■ Good day! I'm Doctor Lili. Your appointment is now.

○ Good day, doctor.

■ Cirmi is my nurse.

○ Are you a real doctor?

■ Mum is a real doctor. And I'm the best one.

■ So, where does it hurt?

○ My throat. But it is already better.

She checks her toy thermometer.

She looks into your mouth very seriously with a toy torch.

■ Open your mouth. Say 'ah'.

○ Aaah...

■ Hmm. No fever.

○ Is that bad?

■ No. That's very good.

■ How many hours do you sleep now?

○ Twelve. Bence gave me earplugs.

■ Twelve! Almost like Cirmi!

She writes on a page of her notebook, the tip of her tongue between her teeth, and reads it out.

■ Here's your prescription.

■ 'One: pancakes, three times a day. Two: cat on feet.'

- 'Three: on Saturday, the festival. You must come!'
- But Tamás says: no cats in the bed!
- It's a prescription. A prescription is more important than Tamás's list.

Ilona comes in with a big plate of pancakes.

- ▲ Here are the pancakes. As prescribed.
- Thank you, Ilona néni! Thank you, doctor!
- ▲ Doctor Lili, is the patient allowed to eat?
- Yes. But only three pancakes.
- The appointment is over. Goodbye!
- A very good doctor. And a hungry nurse!

Her prescription: "Pancakes, three times a day. Cat on feet.

Festival: Saturday. YOU MUST COME." Ilona brings the pancakes. Next morning you feel better. The toy thermometer is gone.
