

SCENE 49 • NUMBER 7

Palėpė

Your suitcase is in the attic, where Ona put it. You take the old key from the raincoat ("Keep it," she said; now you know why) and climb the ladder from the top landing, past Jonas's door; Elzė follows. This is the X on her map, and there is a small round window, just big enough for a cat. Under the roof: buttons, a spare key, the computer mouse from the office, Tomas's pen, the candle "10", the toy thermometer, the mouthpiece. Whose is what, and when did it go? "Your flat was empty for a long time," says Elzė. "It was his flat. And his things."

Translation

Friday afternoon. The company in the capital wants an answer today. Your suitcase is in the attic, where Ona put it.

- My suitcase is in the attic. And the key... the key is in the raincoat pocket!

Elzė is suddenly on the stairs, as if from nowhere.

- To the attic? I'm coming with you!

- What are you doing here?

- I'm always around.

You climb the ladder from the top landing, past Jonas's door. The old key turns in the lock.

- This is the cross on my map! The red X!

- And a little round window. Just big enough for a cat.

- Look! Here's your key. From the first day!

- My key! It went missing twice!
- And here's Tomas's pen. And the mouse from the office!
- And the candle is from your birthday cake!
- And my thermometer! It went missing when you were ill.
- And here's Jonas's mouthpiece! He's been looking for it since the festival.
- Why are all these things here?
- Your flat was empty for a long time. It was his flat. And his things.
- His flat... And now it's my flat.
- Your flat, says Micius. But his things.

In the middle of the attic lies your suitcase, open. Micius is asleep inside.

- Micius! That's my suitcase!
- Look what he's sleeping on.
- My photo! From the festival.
- He only takes the things he loves.

In the middle lies your suitcase, open, with Micius asleep inside. On top is the photo of you from the festival. "He only takes things he loves," says Elzè, and she takes the mouthpiece

*downstairs to Jonas. You sit by the suitcase for a long time.
Then you call the interviewer.*
