You call Rohan.

■ Hello, Rohan. This is Lena.

○ It is a quarter to nine. Why are you not at the office?

■ I am ill. I cannot come today.

○ How do you feel?

■ Bad. My head and throat hurt. I feel hot.

○ You should stay home. One, tea. Two, bed. Three, no cat in the bed.

■ No cat? Why?

○ Cat hairs are not good for the throat. Four, call the doctor.  
Today.

■ Thank you. And work?

○ I will do your work today. Call tomorrow at exactly nine.

You look at your feet. Moti is lying on them, warm and heavy.

■ Moti, what are you doing here? Rohan says no cat in the bed.  
But you are very warm. All right. Stay. Only today.

You look at your feet: मोती is lying on them. He can stay, but  
only today. You close your eyes, and you feel a little better.
