The weather and what to wear

Croatian

Read & listen online ↗

Weather and obligation

Weather often uses an impersonal neuter phrase: **vruće je, hladno je, sunčano je**. Rain and snow can be subjects: **pada kiša, pada snijeg**. These are not learner-sex adjective forms.

Morati expresses must: **moram, moraš, mora, moramo, morate, moraju**. Add an infinitive: **moram uzeti kišobran**. **Ne moram** means not required, not prohibited.

Treba mi says I need, **ne treba mi** I do not need. For feeling cold, use the dative phrase **hladno mi je**, rather than calling yourself a cold person. **Vruće mi je** similarly describes how you feel.
