Translation

- I'm sitting here, waiting. Who comes here at night? And why?

Midnight. Somebody opens the door.

- Who's there?

The light goes on. Ona and Elzė stand in the doorway with a green armchair, and Micius slips in behind them.

- Shh! It's us!

- ▲ Good evening! We're just helping.

- Helping? At night? Why?

- ▲ An empty flat is no good. You need an armchair.

- The armchair is from Grandma's cellar. It's old, but very good.

- Thank you very much. But you can come in the daytime too!

- ▲ In the daytime? In the daytime I don't have time.

Micius jumps into the armchair and curls up.

○ Look! Micius is already in the armchair.

■ And the yellow sofa? In the bathroom?

Ona and Elzè look at each other.

▲ What sofa?

○ We don't know anything.

▲ Maybe it was Micius... Good night!

The door closes. A green armchair stands in the middle of your flat, and Micius is asleep in it as if it had always been his. Your empty suitcase is gone: Ona has taken it up to the attic.
