

SCENE 49 • NUMBER 7

Podul

Your suitcase is in the attic, where Maria put it. You take the old key from the raincoat ("Keep it," she said; now you know why) and climb the ladder from the top landing, past Andrei's door; Ana follows. This is the X on her map, and there is a small round window, just big enough for a cat. Under the roof: buttons, a spare key, the computer mouse from the office, Mihai's pen, the candle "10", the toy thermometer, the mouthpiece. Whose is what, and when did it go? "Your flat was empty for a long time," says Ana. "It was his flat. And his things."

Translation

- My suitcase is in the attic. And the key... the key is in the raincoat pocket!

Ana is suddenly on the stairs, as if from nowhere.

- To the attic? I'm coming with you!

- What are you doing here?

- I'm always around.

- This is the cross on my map! The red X!

- And a little round window. Just big enough for a cat.

- Look! Here's your key. From the first day!

- My key! It went missing twice!

- And here's Mihai's pen. And the mouse from the office!

- And the candle is from your birthday cake!

- And my thermometer! It went missing when you were ill.

- And here's Andrei's mouthpiece! He's been looking for it since the festival.

■ Why are all these things here?

○ Your flat was empty for a long time. It was his flat. And his things.

■ His flat... And now it's my flat.

○ Your flat, says Motan. But his things.

In the middle of the attic lies your suitcase, open. Motan is asleep inside.

■ Motan! That's my suitcase!

○ Look what he's sleeping on.

■ My photo! From the festival.

○ He only takes the things he loves.

In the middle lies your suitcase, open, with Motan asleep inside. On top is the photo of you from the festival. "He only takes things he loves," says Ana, and she takes the mouthpiece downstairs to Andrei. You sit by the suitcase for a long time. Then you call the interviewer.
