Bookings and arranging a visit

Use **부터 ...까지** for a booking interval: **일요일부터 월요일까지**. **하룻밤** means one night. **일인실** and **이인실** are practical room labels, using Sino-Korean numbers.

예약하고 싶어요 states the request; **일인실 주세요** chooses the room. Ask about a included meal with **아침 식사도 있어요?** The particle **도** means also, not only.

Reuse future plans to confirm attendance: **월요일에 갈 거예요**. There is no extra future ending for a woman, man, singular or plural subject.
