From the back of the queue, many people stand in front of you.

- It is so full here! Thirteen, fourteen, fifteen people ...

- Good morning! What would you like?

- A tea, please.

- Tea. All right. I will be back in a moment.

- Just tea, Greta! No breakfast. I am not hungry.

Greta puts down coffee, two eggs, bread and butter.

- There! Coffee, two eggs, bread and butter.

- But I would like tea. No coffee.

- But tea alone is not breakfast!

- All right. And water, please. How much is it?

- Here is milk. Breakfast costs five euros. Enjoy your meal!

Jonas comes in through the door, half asleep.

- ▲ Good morning. A tea, please. Just tea.

- Here you are, Jonas. A big cup of tea.

○ Why does he get tea and I get a whole breakfast?

■ He is tired. He plays all night.

▲ Exactly. Now I am going to sleep. Good night!

○ I am tired too. I hear his trumpet all night!

Greta pushes the plate of eggs towards you.

■ First you need something to eat. I can see that.

Jonas never makes it to bed: he falls asleep at the counter. In front of you: coffee, eggs, bread and butter, and milk. Everything but tea.
