Translation

■ Good morning, Aino. Where is the station?

○ The station? What is your plan?

■ Tomorrow Tuomas and I are going to Isojärvi. By train.

○ I know. It's far. First left, then straight on and right at the second street.

Sanna comes out of the café with a tray.

▲ Far? No. Right, then left at the corner. Very close!

■ For Aino it is far ...

▲ Everything is far away for Aino.

○ I can hear you!

Jussi comes home with his trumpet case, after a night of jazz.

● Good night. No, good morning!

■ Jussi, where is the station?

● Straight on. By the river. Five minutes on foot.

■ Three neighbours, three different routes!

○ I mean the train station. It's far away.

- ▲ I mean the bus station. It's close.
- And I mean the Old Station. I play there at the weekend.
- So to the train station. First left?
- Exactly. Do not be late tomorrow!

All three are right. The town has a train station, a bus station, and the Old Station, which is now a jazz bar. Jussi plays there at weekends. You take Aino's way, and around the corner stands the train station, small and old, with a big clock.
