Measures and repeated time

Measures often keep their form after a number: **två kilo, hundra gram**. Other units have normal plurals: **två flaskor**. **Ett halvt kilo** needs neuter **halvt**. **Varje** stays the same for common and neuter: **varje månad, varje år**. A plural after **varje** is normally wrong.

Ett halvt kilo ost, tack.

Half a kilo of cheese, please.

Jag köper två kilo äpplen.

I buy two kilos of apples.

Vi köper två flaskor mjölk.

We buy two bottles of milk.

Jag betalar varje månad.

I pay every month.

Vi kommer varje år.

We come every year.

Jag köper hundra gram ost.

I buy a hundred grams of cheese.

GRAMMAR**G1) NOTICE THE USEFUL PATTERN**

Underline the form practised in this unit.
