Translation

Lili opens your fridge.

■ Your fridge is empty again!

○ I know. I don't have time.

- Let's go to the shop! I have a list.
- Me too. Six eggs, bread and apples. And what's on your list?
- Fish, milk, and lots and lots of fish!
- Why so much fish?
- It's not for me, it's for Cirmi. He eats a lot of fish.

Lili puts apples into the bag, counting.

Lili and you go down to the corner shop together to buy what is on your lists.

- Good day, Karim! This is our new neighbour.
- ▲ Nice to meet you! What would you like?
- I'd like six eggs, some bread and apples, please.
- ▲ Here you are. And how many apples?
- Six, please.
- Sixteen? OK! ...Sixteen, seventeen, eighteen...
- Lili! Six apples, not eighteen!
- Nineteen?
- Oh, all right... Nineteen.
- And fish, please. Lots of fish. And milk.

▲ Fish and milk? Is that for Cirmi?

■ Yes! Do you know Cirmi?

▲ Everybody knows Cirmi. He's the boss round here.

Lili puts some money on the counter.

▲ Eight thousand eight hundred forints altogether.

○ Two thousand, four thousand, six thousand, eight thousand...

Sorry, I only have eight thousand forints.

■ Here are eight hundred more!

○ Thank you, Lili!

■ You're welcome. Now we're friends. And I want a pancake!

Lili carries the fish in both arms, very pleased with herself. In your bag: six eggs, bread and nineteen apples.
