Market measures and noun linking

Measure expressions include **एक किलो टमाटर**, **दो किलो आलू**, **आधा किलो पनीर**. The measure word **किलो** stays the same after a number.

दूध की बोतल is a bottle of milk; **केक का टुकड़ा** a piece of cake. The linking **का/की/के** agrees with the item following it, not with milk or cake.

Before a postposition, plural nouns often change: **बिल्ला** □ **बिल्ले** □ **बिल्लों**, **बिल्ली** □ **बिल्लियाँ** □ **बिल्लियों**. Recognise **बिल्लियों से डर**; the full plural oblique pattern is useful beyond this market scene too.

दो किलो आलू।

Two kilos of potatoes.

दूध की बोतल।

A bottle of milk.

केक का टुकड़ा।

A piece of cake.

GRAMMAR

G1) NOTICE THE USEFUL FORM

Underline the form explained in this unit.
